*The Delta Dental PPO program makes its payments for both participating and non-participating dentists based on the Delta Dental PPO Maximum Plan Allowances (PPO MPA) or the dentist’s charged fee, whichever is less (PPO Allowed Amount). Delta Dental PPO participating dentists agree to accept the PPO Allowed Amount as payment in full. Delta Dental’s benefit is a percentage of the PPO Allowed Amount; an enrollee copayment may be required. Deductibles may also apply. Dentists who participate in the Delta Dental Premier[®] network but not the Delta Dental PPO network may also charge the patient the difference between the PPO Allowed Amount and the Delta Dental Premier Allowed Amount. Non-participating dentists may balance bill the patient without limit by Delta Dental.

This information highlights coverage for the PPO V1 and PPO V2 dental programs; this highlight sheet is not intended to be a complete list or complete description of benefits. Exclusions and limitations may apply.

The benefit explanations contained herein are subject to all provisions of the Group Dental Service Contract, and do not modify such contract in any way, nor shall the subscriber accrue any rights because of any statement in or omission from this highlight sheet.
